Fredrik Wennersten

Ref. Certif. No.

SE-90511A1M2

Additional information

This certificate replaces CB certificate SE-90511M2, dated 17 February 2022. A new certificate has been issued due to factory name change.

The product is also in conformity with the following national differences as shown in report with ref. No. 1912980STO-001:

UL 61010-1, Third Edition and
CAN/CSA-C22.2 No. 61010-1-12, Third Edition.

On-site verification of the production line testing according to Annex F was excluded.

Product information:

The controller can be used in combination with different tools, see test report No. 1807803STO-001.

Model differences:

TWINCVI3, CVI3 Function, CVI3 Essential and CVI3 Vision all share the same critical components except display which is graphical on TWINCVI3 and CVI3 Vision.

TWINCVI3 supports up to two tools simultaneously while CVI3 Function, CVI3 Essential and CVI3 Vision support only one tool.

Models with the suffix E-STOP have the optional E-STOP function.
